

## **PVPHA General Meeting**

**August 21, 2008**

### **Mules and More Mules**

**Come and learn everything you wanted to know and more about mules at the PVPHA meeting where members and special guests will dispel the myths and often negative connotations surrounding mules and their behavior. There will be a slide show and live demonstrations showing how a properly trained mule can compete competitively in multi disciplines (roping, reining jumping, western pleasure, etc.) You will be able to observe first hand several different types of mules such as drafts and gaited animals. This promises to be an event you will not want to miss.**
